

Monica Lacey

Monica Lacey is a Canadian multi-disciplinary artist from PEI whose work focuses on the beauty of the broken, overlooked, or discarded. Monica spent many years traveling, working in the film industry, and developing her skills as a writer, dancer, and yoga teacher before returning to studies in Textiles and Photography at the New Brunswick College of Craft and Design.

She believes deeply in the power of the arts to uplift, teach, and transform, and regularly volunteers her time to those ends. She has received several awards and grants for excellence in her work and service to her community and her art can be found in private collections across North America.
